## The Scholarship's Name:

### Andy Triplett:

Our scholarship is called the Andy Triplett Memorial Scholarship in honor of a brother of the UNI Chapter of Sigma Phi Epsilon, Andy Triplett, who passed away unexpectedly on May 2, 2009. Andy Triplett embodied what it meant to be a balanced man and lived the core values of Sigma Phi Epsilon: Virtue, Diligence and Brotherly Love.

### Balanced Man:

The Balanced Man Scholarship is a national scholarship which is given by local chapters of Sigma Phi Epsilon. One of the main goals of the Sigma Phi Epsilon is to develop our members into Balanced Men with sound minds and sound bodies. The 1st place scholarship is awarded to the individual who best personifies these principles.
